APPOINTMENTS

Please ring 8850 0488 for an appointment or book online on our app **AMS Connect**. Every effort will be made to accommodate your preferred time and GP. Emergencies will always be given priority and our reception staff will attempt to contact you if there is any unforeseen delay. Complex medical problems and urgent cases may delay the scheduled appointments. In these circumstances your patience is appreciated. Longer consultation times are available, so please ask our receptionists if you require some extra time for cervical screening, procedures & other issues. If you or a family member requires an interpreter service, we can organise this for you. Please let us know when you make the appointment.

TELEPHONE ACCESS

GPs in the practice may be contacted during normal opening hours. If the GP is with a patient, a message will be taken and the reception staff will advise you when it is likely that the GP will return your call. This will normally be at the end of the session. In an emergency your call will always be put through to a GP. In non-urgent cases a call will be returned within 3 days.

GETTING THE RESULTS OF ANY TEST OR PROCEDURE

Your doctor will advise when they expect results to arrive at the practice. Call your doctor to find out your results and ask what they mean for your care. If the doctor needs to see you they will request that you make an appointment. For normal, non-urgent results a message will be returned to you within 3 days.

FEES & BILLING ARRANGEMENTS

For all new patients and privately billed consultations, consultations up to 20 minutes will be \$78, up to 40 minutes \$125 and over 40 minutes \$170. Procedures such as skin cancer removal, IUD removal, iron infusions and skin cut repairs will be privately charged. Please discuss with your GP prior to the procedure. The full cost of the procedure will be billed at the time of the appointment, you are then able to claim at Medicare. Iron infusion fees range from \$160 up to \$235 of which ~\$120 is not refundable on Medicare. Fees are payable at the time of consultation by cash, MasterCard, Visa or EFT-POS.

CANCELLATION FEES MAY APPLY.

WORKERS COMPENSATION

Patients are required to pay for each visit in full until HFGP has evidence of an approved claim number from the case manager of the claim.

ONLINE APPOINTMENTS

We are happy to present online bookings made simple powered by **AutoMed!** The online medical appointment system is free for our patients.
